

Sinclair Broadcast Group is requiring Television Stations under their control to broadcast unchallenged Partisan Propaganda immediately prior to our US Presidential Elections.

Sinclair has ordered its 62 stations, some of which are in the critical swing states of Ohio, Florida, Iowa and Wisconsin, to air "Stolen Honor: Wounds That Never Heal" during prime-time hours next week. The Sinclair station group collectively reaches 24 percent of U.S. television households.

Disguised as "News" this slanted so-called Documentary, produced by and for the Republican Party is a gross distortion being presented solely as a smear campaign and character assassination of Senator Kerry.

This is extremely dangerous to our democracy and a flagrant abuse of the public airwaves.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This unprecedented move would be direct electioneering by a corporate media giant -- and this is against federal election law.

Please take action immediately to stop this abuse of our public airwaves, and threat to our democracy.
Thank-You
